

### Tuition Rates 2025-2026

The Kingdom Kids Learning Center/Home provides high-quality care for the families in our community. We prepare students for present and future success with our advanced build, learn, and grow program ! Our weekly tuition rates are based upon PTQ rating scale, CCDF provider reimbursement, and the growing economy. Tuition is to be paid the following week BEFORE care is given, there are no exceptions. Payment is due every Friday before closing time: 5:30PM. Any payments received past this date and time, will result in a late payment fee of \$10. If the parent/guardian is continually late, care will be terminated immediately.
